

On Monday, Year 1 enjoyed a very rainy trip to Basildon Park for our Woodland School session.

It was a great time to practice our shelter building skills!

This week in Badger Class

In Art, we've been making artistic interpretations of maps.

As part of our 'Mastering Number' programme, we've been using rekenreks to represent numbers.

In Music, we've been listening for, and moving to, rhythmic patterns!
