Friday Bulletin

6th July 2018

It has been another very busy week. Woodpecker and Badger have visited Reading FC, the school cricket team took part in a cricket tournament and Year 6 attended a workshop at Greyfriars in Reading. It is the cricket tournament however that I attended and I was so proud of our team. The collaboration between the players was phenomenal. There was an issue with the scoring which they accepted with grace, they supported each other magnificently, and they also persevered when things got tough. A big thank you to Mr Bell for some last minute coaching.

That evening, it was the England v Columbia football match and so many of the qualities that our children displayed during the day were evident. The perseverance - not giving up when that last minute goal was scored, the determination to face another penalty shoot-out. I was particularly impressed at how England kept their cool during the spiky first half just like our children did with the issue with the scoring. What valuable lessons we learn and who knows how our learning will be used in the future!

FOPS END OF TERM SUMMER PARTY

It's time to party again at our Summer-themed End of Term Party taking place on **Friday 13th July**.

As in previous years, we will be running two sessions: 5.15-6.30 pm for FS1 & FS2, Years 1 & 2 and 6.45-8 pm for Years 3, 4, 5 & 6. There will be music, dancing, games and activities, hotdogs and drinks.

Entry is **£4.00** per child and spaces can be booked by completing and returning the form contained in your child's book bag. Please send in cash or cheques made payable to FOPS. Paper tickets won't be issued but names will be placed on a list at the door. Please note that all payment is required in advance of the party and by end of school on **Monday 9th July** to enable us to finalise the numbers.

We are also looking for some volunteers to help us! We need supervisors and if there is anyone prepared to help to cook the hotdogs for either or both sessions please let us know via Mrs Ham in the office or indicate your availability on your reply form. Thank you!

As always all proceeds from the event will go towards the funding of activities and resources for our children.

OPEN AFTERNOON - REMINDER

You are invited to come into school between 1.30pm and 2.45pm on the afternoon of Wednesday 18th July to share your child's work over the past year. Please come to the classroom to collect your child and their work. You can then find a quiet spot around the school or grounds (weather permitting!) so your child can share their work with you and talk about what they have done over the last academic year and celebrate their successes.

You may sign your child out with their class teacher and take him/her home after you've finished. If you can't make it, it would be great if a grandparent or another family member or family friend attends. The Open Afternoon is very well attended and the children really enjoy sharing their work. This will also be an opportunity for you to see all the IT equipment that FOPS have purchased for the school.

- Children can sign up at their local library and receive "Mischief Makers' reading log
- Children can then borrow and read at least 6 library books of their own choice during the summer, collecting special stickers to complete their log and other incentives along the way.
- Children who complete the Summer Reading Challenge are presented with a certificate and a medal.

For more information visit:
www.mischief-makers.org.uk

LOST PROPERTY

Our lost property box is overflowing! We will have it in the playground every afternoon next week. Any items not claimed will be taken to the charity shop by the end of term.

HEDGEHOG CLASS

In preparation for our trip to Woolley Firs next week, the learning has had a bear theme to it. The children enjoyed making porridge and choosing a topping, tasting and recording their choices and discussing their findings. They thought about how the characters behaved in the story and pretended they were Goldilocks when writing a letter to the bears to say sorry for what she had done.

The children learned how to use a glue gun safely so that they could design and create chairs in various sizes for the three bears, and they had great fun choosing instruments to represent each character and playing them to retell the story.
Mrs Burton

BADGER CLASS

Badger class have been investigating how to write a non-chronological report. Having looked at the different features of such writing, they then wrote their own reports about snails. In DT, we had great fun and worked creatively to make our pull along caterpillars. The finished products were fantastic

and the children enjoyed playing with them and taking photos of them in the garden. In Science, we explored evergreen and deciduous trees and went on a tree hunt in the school garden to identify the trees we have growing in Purley School. In Maths, Y1 children have continued to work on finding the capacity of different containers and Y2 have been working with inverse operations (add, subtract, multiply and divide).
Mrs Lyn-Jones

OWL CLASS

Plastic, plastic, plastic, and the power of three! These are the words floating around Owl Class Ocean this week. If you want to know more, please ask your child, I am sure they would be more than happy to explain. Letters have been written about pollution in the ocean and I am so proud of them. I will be sending some of to our local council and possibly the Houses of Parliament. It has been assessment week in Maths and once again I am extremely pleased with the outcomes.

Our clay sea creatures have been given colour and look amazing. We have also been working on a collective collage of a whale which has been exposed to a diet of plastic. I am sure you will enjoy looking at all the children's fantastic work when you join us for our open afternoon.

Don't forget we are off to the aquarium next Thursday, final details have been sent via parent mail.
Mrs Pickering

WOODPECKER CLASS

Woodpecker had a wonderful time at the Madjeski Stadium on Monday learning about healthy eating and good teamwork. Many of our class then represented the school in a cricket tournament on Tuesday and exemplified excellent teamwork.

On Wednesday, year 6 took part in a huge service for year 6 leavers in the diocese. We travelled to Greyfriars church, participated in various workshops in the morning, and then were part of the afternoon service.

Whilst all these activities have been brilliant, it was also wonderful to have a full class on Thursday when we were able to run throughout Lemonade Kid production ready for next week.
Mrs Archer

MADEJSKI STADIUM 2018

STARS OF THE WEEK

Hedgehog Class

Star of the week: Ayman for his progression in reading

Friendship Star: Arthur for helping the younger children without being asked

Paragon: Theodore

Badger Class

Star of the week: Ciara for writing an interesting report about snails.

Friendship Star: Darcy for looking after her friend when she hurt her foot.

Paragon: Jaiden

Owl Class

Star of the week: Alfie for his good progress in maths

Friendship Star: Ethan for always being helpful to everyone in the class room

Paragon: Jessica

Woodpecker Class

Star of the week: Niamh, for her wonderful flexibility and initiative in the Lemonade Kid

Friendship Star: Leo for supporting and encouraging his team-mates

Paragon: Nacho

Delightful diners: Louie H, Alfie PH, Syd A, Alfie C, Natalya HB, Lola G, Layla, Jessica B
