

**PURLEY CHURCH OF ENGLAND
PRIMARY SCHOOL**

**Clubs Brochure
Autumn 2026**

Discover Our Autumn Clubs

At Purley Primary School, we believe that learning, discovery and personal growth continue beyond the classroom. Our programme of clubs is an important part of school life, providing children with opportunities to explore new interests, develop existing talents and enjoy memorable experiences with their friends.

This year, we are proud to offer activities every morning and clubs on most afternoons, giving pupils a wide range of opportunities throughout the week. From music and coding to sport, creativity and wellbeing, our programme has been carefully planned to reflect the interests of our children and to complement the learning that takes place during the school day.

As a small school, we know our children exceptionally well. That means we can respond to what excites and motivates them, drawing on the strengths and expertise of our own staff alongside carefully chosen specialist providers. Rather than offering a one-size-fits-all programme, we have developed a varied range of clubs that give children opportunities to flourish, discover new passions and experience success in different ways.

Every club has been chosen because it adds something valuable to our children's experience of school, helping them to flourish both academically and personally.

Through our enrichment programme, children are encouraged to:

- Develop confidence by trying something new.
- Build friendships across year groups.
- Discover talents and interests beyond the classroom.
- Develop resilience, teamwork and independence.
- Enjoy high-quality experiences that broaden their horizons and support their personal development

Whether children are singing with the choir, creating artwork, learning to code, enjoying mindfulness, mastering new sporting skills or simply starting the day positively with Breakfast Club, we want every child to have opportunities to thrive.

Places are limited to ensure each club remains enjoyable, well supported and high quality, so we encourage families to book early.

Early Birds Breakfast Club

Start the day the Purley way!

Our Early Birds Breakfast Club provides a welcoming and positive start to the school day. Open Tuesday to Thursday, 7.50–8.40am during term time, children enjoy a healthy breakfast.

After breakfast, children can take part in a variety of fun activities– anything from colouring, to Lego or board games– before finishing each session with a short burst of exercise to energise them for the day ahead. At the end of the session, EYFS and Key Stage 1 children are escorted to their classrooms by a member of staff, while Key Stage 2 pupils make their way independently to Owl or Falcon Class.

Our Autumn Club

Line-Up

Choir

Raise your voice with confidence!

Our choir is a fantastic opportunity for children who love to sing, perform and work as part of a team. Pupils enjoy learning a wide range of songs throughout the year, leading to performances at school events, including Harvest Festival, Christmas celebrations and a schools' concert at The Hexagon Theatre.

Calm Connections

A calm space to learn, reflect and recharge.

Calm Connections offers children a relaxed environment where they can complete homework, practise mindfulness and develop strategies to support their wellbeing. It's the perfect balance of productivity, creativity and calm at the end of the school day.

Creative Club

Create, imagine and explore.

Perfect for children who love being creative, this club encourages imagination through a wide variety of arts and crafts. From painting and drawing to seasonal projects and mixed media, every session offers something new for children to design, create and proudly take home.

Drumba

Fitness with a beat!

Drumba combines energetic drumming, movement and music to create an exciting full-body workout. Children develop coordination, rhythm, fitness and confidence while having lots of fun in a lively and supportive environment.

Code Club

Develop the digital skills of the future.

Designed for Years 5 and 6, Code Club introduces children to the exciting world of programming through Scratch, Micro:bits, robotics and problem-solving challenges. It's a fun, hands-on way to develop creativity, logical thinking and computational skills.

Escape Parkour

Jump, climb, balance and build confidence!

Led by Liam from Escape Parkour, this exciting club introduces children to the fundamentals of parkour in a safe, supportive and engaging environment. Through a range of fun challenges, children will learn to jump, climb, vault and move with confidence while developing agility, balance, coordination and resilience.

In2Sport Extended Day Club

Our Extended Day Club is delivered 2 afternoons a week (Tuesday and Wednesday) by In2Sport, the same experienced sports coaches who work with our children during PE lessons each week. Their familiar faces, enthusiasm and expertise help children feel confident, supported and ready to enjoy every session.

Every afternoon is different, with a varied programme of sports, games and enrichment activities designed to keep children active, engaged and having fun. Whether they're learning new skills, taking part in team games or enjoying creative challenges, children have opportunities to develop confidence, resilience, teamwork and friendships in a safe and positive environment.

The club provides a relaxed end to the school day, giving children time to play, explore new activities and unwind with their friends while continuing to develop physically, socially and emotionally.

Children can look forward to:

- 🏀 A wide variety of sports and active games
- 🤝 Team-building and cooperative challenges
- ☀️ Building confidence and resilience
- 😊 Spending time with friends in a fun, supportive setting
- 🏃 Sessions led by the trusted In2Sport coaches they already know from their PE lessons

Making Music at Purley

We are delighted to offer a growing range of exciting music opportunities for our pupils, giving children the chance to discover new talents, develop musical skills and experience the joy of making music together.

Our popular **Good Vibes** Ukulele Groups provide a fun, friendly and supportive environment where children can learn to play the ukulele, perform with others and build confidence through music. We also offer guitar lessons with **Berkshire Music Trust**, delivered by experienced music tutors who inspire pupils to develop their technique and enjoyment of playing. Whether your child is picking up an instrument for the first time or looking to build on existing skills, these lessons cater for a range of abilities.

Learning a musical instrument offers many benefits beyond the classroom. It helps to develop concentration, perseverance, creativity and teamwork, while also boosting confidence and providing children with a rewarding way to express themselves. Taking part in music lessons can also enhance pupils' overall learning and contribute positively to their wellbeing.

As we look ahead to the new term, these lessons provide a wonderful opportunity for pupils to enrich their education through music and become part of our thriving musical community.

If you would like your child to take part in either the [Good Vibes Ukulele Groups](#) or guitar lessons with [Berkshire Music Trust](#), please contact the organisations directly for further information about lesson times, availability and enrolment.

What's on, when?

Purley Primary School Autumn Term 1 Clubs 2026
