
**Relationship Education
Including sex education.**

Information evening

Purley Primary School January 29th 2020

What is Relationships and Sex Education?

RSE is about the emotional, social and cultural development of pupils and involves learning about relationships, sexual health, sexuality, healthy lifestyles, diversity and personal identity.

It involves a combination of sharing information, and exploring issues and values.

Teaching Relationships and Sex Education at Purley C of E Primary

At Purley the aims are to reflect the school's Christian values and encourage:

Respect for self

Respect for others

Responsibility for their own actions

Responsibility for their family, friends, schools and wider community .

Teaching Relationships and Sex Education in a church school...

Church of England schools offer a community where everyone is a person known and loved by God, supported to know their intrinsic value.

...Christian message of love, joy and the celebration of our humanity without exception or exclusion

—

What has changed?

Relationship and Health and Sex Education becomes a statutory part of the curriculum from 2020.

Why make changes?

Primary sex education will focus on:

Preparing boys and girls for the changes that adolescence brings.

How a baby is conceived and born.

It is still not compulsory to teach sex education in primary schools... it remains a recommendation.

However it is compulsory to teach the elements of sex education contained in the science curriculum.

Parental rights.

Parents can withdraw their children from aspects of sex education however the science and PSHE curriculum is compulsory

RSE teaching

RSE is usually taught by class teachers in mixed gender groups.

Occasionally topics are covered in single sex groups.

Appropriate and experienced or knowledgeable visitors from outside school may be invited to contribute to the delivery of RSE in school. e.g. NSPCC

How RSE is taught...

RSE may be taught in all curriculum areas including PSHE- Personal, Social and Health Education.

At Purley the main content is taught in PSHE .

Biological aspects of RSE are taught within the science curriculum.

Science Curriculum

In Foundation stage children will learn about the concept of male and female and about young animals.

Key Stage 1

That animals, including humans, feed, move, grow and use senses and reproduce.

That humans and animals can produce offspring and these grow into adults.

Key Stage 2

Life processes including nutrition, growth and reproduction. The main stages of human life cycle, including the physical changes that take place at puberty, why they happen and how to manage them.

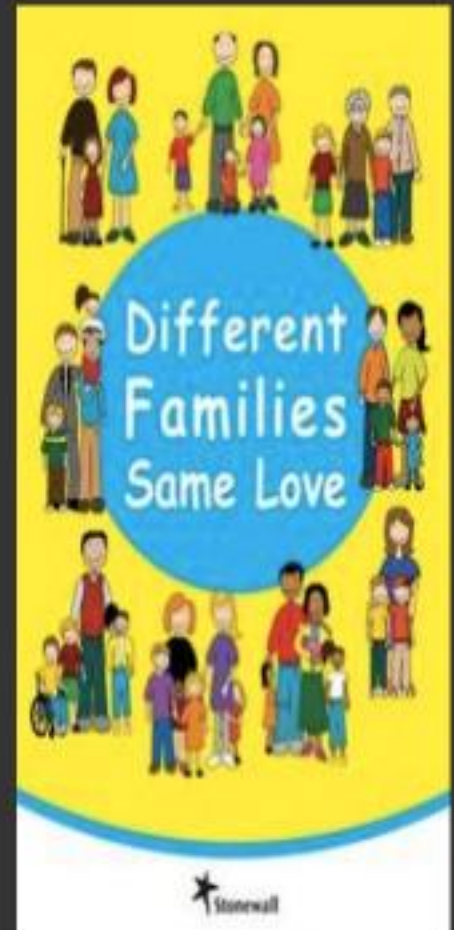

RSE topics

Families and people who care about me...

Including that others' families either in school or in the wider world sometimes look different to their own family, but that they should respect those differences and know that other children's families are also characterised by love and care.

Caring friendships

Including the characteristics of friendship. Including mutual respect, truthfulness, trustworthiness, loyalty, kindness, generosity, trust, sharing interests and experiences and support with problems and difficulties.

Respectful relationships

Pupils should learn about different types of bullying (including cyber-bullying), the impact of bullying, responsibilities of bystanders (reporting bullying to an adult) and how to get help.

THE CHURCH
OF ENGLAND
EDUCATION OFFICE

Valuing All God's Children

Guidance for Church of England schools
on challenging homophobic, biphobic and
transphobic bullying

Second Edition
Autumn 2017

Online relationships

Pupils should learn the rules and principles for keeping safe online, how to recognise risks, harmful content and contact, and how to report them.

Being safe

Pupils should learn that each person's body belongs to them and the differences between appropriate and inappropriate or unsafe physical, and other, contact.

The policy process...

September 2019

Write a draft policy to include statutory changes to Relationships and Health Education including Sex Education

January 2020

Consult with parents via Information Evening

2019

2020

October 2019

Share with staff and governors

By September 2020

Finalise policy and share with staff and governors before publishing on website.

OUTCOMES

To foster pupil well being

To develop resilience and character

To help pupils be happy, successful and productive members of society.

Develop personal attributes including:

Kindness

Integrity

Generosity

Honesty

Jigsaw!™

The mindful approach to PSHE

What are your thoughts?

I want my child to learn how to keep themselves safe...

I want my child to learn how to respect others...

I want my child to learn that all types of bullying are unacceptable and how to get help if they need it...
