20th May 2020

Dear Parents,

Plans are now well under way for opening the school to FS, Y1 and Y6.

THURSDAY

In order to support planning, I will need to know who intends to send their children into school for the week beginning June 1st, should we be open. **Any changes** from what you have already indicated need to be in the office by 12 noon on Thursday 21st May (via email: office@purley.w-berks.sch.uk). We will only plan for the ones who have definitely said that their children will attend for

week beginning June 1st. You do not need to get in touch if there are no changes.

This will be the pattern every week, should you wish to change your mind, either way, please inform the school by the Thursday for attendance for the following week. This also applies to the key worker (Bees) group. If we are expecting your child in and they do not appear, we will be in touch as we would normally do.

I will be circulating the detailed guidance after it has been approved by Governors, hopefully on Thursday. The guidance will be sent to everyone.

Please do not send your child in if they or anyone in your family are showing symptoms of Coronavirus (see guidance below) or if the family have not been following the Government social distancing guidance.
