Dear Parents,

I did say last week that it was most probably the last newsletter, but it isn't! There are just a few more things to update you on.

Firstly a plea to read all communication carefully.

School Lunches

There is a new system for ordering school lunches. It has to be done from home. If you haven't ordered for your child by 9.30 and your child needs a lunch, the only choice will be a jacket potato. We have been very impressed with "The Pantry" so far and are looking forward to having our meals prepared by them. Please refer to the email sent by Mrs Lees yesterday via Parentmail for any clarification.

Nutkin Club/Breakfast Club

Nutkin club and Breakfast club will be running in September, booking is via the usual method.
<https://purley.childcare-online-booking.co.uk/>

There will be no other after school clubs to begin with.

Pencil Cases

A reminder regarding the purchasing of pencil cases (*for Year 1 to Year 6*) - details on previous newsletter. They need to be the plastic transparent ones, easy to wipe down.

Google Classroom

I am sure that you are now aware that our Goggle classroom has been shut down until we can fully investigate what happened. I am so grateful to our vigilant staff who realised we had an issue within minutes, even though this was out of school hours! I am also grateful to the parents, who have been directly involved, for their quick thinking and support.
