Spirituality

AWE AND WONDER!

Reflection

Whilst RE and Collective Worship are obvious areas to look for Spiritual Development it can also be found in all curriculum areas and in play situations.

Staff ensure that as opportunities arrive, they are used to help children develop their spirituality. Spiritual development is only possible when the environment allows children (and adults) to feel accepted, to question and to explore. Spiritual development needs time to reflect on and absorb issues and ideas, to reflect theologically and to experience awe and wonder. Spirituality means thinking about moments in our daily lives and how they can change us.
