Purley Primary School

Phonics and Home Reading for Parents At Purley Primary School our Phonics Scheme is Twinkl Phonics.

An Introduction to Twinkl Phonics

for Parents and Carers

Effective Phonics, Done Simply

Did You Know...?

There are **26 letters** in the alphabet but there are **44 sounds** and over **100 different ways of spelling them.**

This is why English is one of the most complex languages to learn!

Phonics Terminology Here is some of the terminology you might hear as your children begin to learn phonics.

Phoneme	the smallest unit of sound in words	S
Grapheme	the written representation of a sound	
GPC (Grapheme-Phoneme Correspondence)	being able to match a phoneme with the correct grapheme and vice versa	ich
Blending	joining individual speech sounds together to read a word	iyn se
Segmenting	breaking down words into individual speech sounds to spell a word	
Digraph	two letters making one sound e.g. 'sh'	
Trigraph	three letters making one sound e.g. 'igh'	a_e
Split Digraph	two letters making one sound which are divided by a consonant e.g. the i_e sound in the word 'side'	
Tricky/Common Exception Words	words that are not fully decodable such as 'the' and 'was'	shell
Sound buttons	circles or spots that can be written underneath a sound to support reading	
Sound bars	lines that can be written underneath digraphs or trigraphs to show that the letters make one sound	mb
Mnemonic	a visual prompt to help children remember a sound	

twinkl.com

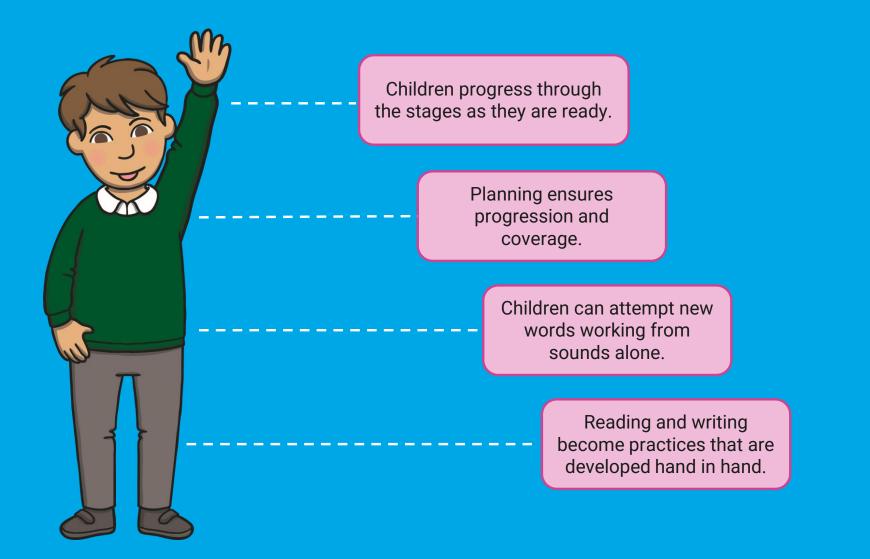

What Is Synthetic Phonics?

- Synthetic phonics is a method of teaching reading and writing, in which words are broken up into their smallest units of sound or 'phonemes'.
 - Children learn to associate a written letter or group of letters, known as 'graphemes', with each phoneme.

UTTE

- Sounds are then joined or 'blended' together into words for reading or, conversely, whole words are broken down or 'segmented' into their sounds for writing.
- It is the UK's most preferred method of teaching phonics.
- Sounds are taught in a prescribed order starting with s, a, t, p, i, n, as this allows for the most words to be made from the start, such as 'sat,' 'tap' and 'pin'.

What Are the Benefits of Synthetic Phonics?

What Is Taught and When?

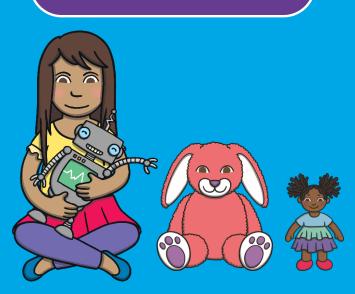

Twinkl Phonics Level	Number of Teaching Weeks	Recommended Year Group (UK schools)	Age of Children)		vel 1 continues to
Level 1	36	Nursery/Preschool	3-4 years		be	taught alongside he other levels.
Level 2	7	Reception	4-5 years		ł	
Level 3	12	Reception	4-5 years	\setminus		This is just an overvi We understand tha
Level 4	5	Reception	4-5 years			every child progress at their own pace
Level 5	30	Year 1	5-6 years	(
Level 6	30	Year 2	6-7 years			

Level 1

Level 1 is taught in Nursery/P<u>reschool.</u>

By the end of Level 1, children will have had the opportunities to:

O listen attentively;

o enlarge their vocabulary;

O speak confidently to adults and other children;

O discriminate different sounds including phonemes;

O reproduce audibly the phonemes they hear in words;

o orally segment words into phonemes.

These learning opportunities are presented through 7 Aspects.

What Are the 7 Aspects of Level 1?

Aspect 1: Environmental Sounds

- Develop listening skills and awareness of sounds in the environment
- Identify and remember the differences between sounds
- Talk about sounds in greater detail

Aspect 2: Instrumental Sounds

- Develop awareness of sounds made with instruments
- Listen to and appreciate the differences between sounds made with instruments
- Use a wide vocabulary to talk about instrument sounds

Aspect 3: Body Percussion

- Develop awareness of sounds and rhythms
- Distinguish between sounds and remember patterns of sound
- Talk about sounds we make with our bodies and what the sounds mean

Aspect 4: Rhythm and Rhyme

- Experience and appreciate rhythm and rhyme and develop awareness of rhythm and rhyme in speech
- Increase awareness of words that rhyme and develop knowledge about rhyme
- Talk about words that rhyme and produce rhyming words greater detail

Aspect 5: Alliteration

- Develop understanding of alliteration
- Listen to sounds at the beginning of words and hear the differences between them
- Explore how different sounds are articulated

Aspect 6: Voice Sounds

- Distinguish between the differences in vocal sounds
- Explore speechsounds
- Talk about the different sounds that we can make with our voices

Aspect 7: Oral Blending & Segmenting

- Develop oral blending and segmenting of sounds in words
- Listen to sounds within words and remember them in the order in which they occur
- Talk about the different sounds that make up words

Level 2

Level 2 is taught in Reception.

By the end of Level 2, children will have had the opportunities to:

Level 2 Coverage

In Level 2, children will learn the first 24 GPCs (19 letters, 4 digraphs and an alternative pronunciation) and the first 5 tricky words for reading.

Teaching Week	GPCs	Tricky Words for Reading		
1	satp			
2	in m d			
3	gock			
4	ck e u r	to, the		
5	h, b, f, l	no, go, l		
6	ff, II, ss, 's' saying /z/	all level 2 tricky words		
7	Recap of all Level 2 sounds	all level 2 tricky words		

- identify the phoneme when shown any Level 2 grapheme;
- o identify any Level 2 grapheme when they hear the phoneme;
- orally blend and segment CVC words such as, 'sat' and 'pat';

- blend sounds to read VC words such as, 'if', 'am', 'on' and 'up';
- segment VC words into their sounds to spell them (using magnetic letters);
- read the tricky words (words that cannot be sounded out): the, to, I, no, go.

Level 2 Actions and Mnemonics

Every sound has a corresponding action and mnemonic which helps children to remember them. You can support your child by modelling the same sounds and actions at home.

Level 3

Level 3 is taught in Reception.

By the end of Level 3, children will have had the opportunities to:

Level 3 Coverage

In Level 3, children continue to learn 28 new GPCs (6 letters, 17 digraphs, 3 trigraphs and 2 alternative pronunciations) and 12 tricky words for reading. They also learn the spelling of the Level 2 tricky words.

Teaching Week	GPCs	Tricky Words for Reading	Tricky Words for Spelling	
1	j, v, w, x	all level 2 tricky words		
2	y, z, zz, qu, ch	he, she	the, to	
3	sh, th, th, ng	we, me, be		
4	ai, ee, igh, oa	was	no, go, l	
5	00, 00, ar, or	my		
6	ur, ow, oi, ear	you		
7	air, ure, er	they		
8	all level 3 GPCs	here		
9	all level 3 GPCs	all, are		
10	trigraphs and consonant digraphs	was, my (recap)		
11	recap j, v, w, x and vowel digraphs	we, they (recap)		
12	all level 3 GPCs	all level 3 tricky words	the, to, no, go, l	

- say the phoneme when shown all or most Level 2 and Level 3 graphemes;
- find all or most Level 2 and Level 3 graphemes, from a display, when given the phoneme;
- blend and read CVC words (single-syllable words consisting of Level 2 and Level 3 graphemes) such as 'chop' and 'night';
- segment and make phonetically plausible attempts at spelling CVC words (single-syllable words consisting of Level 2 and Level 3 graphemes) such as 'paid' and 'seed';
- read the tricky words he, she, we, me, be, was, my, you, her, they, all, are & spell the tricky words the, to, l, no, go;
- write each letter correctly when following a model.

Level 3 Actions and Mnemonics

It is really important that children learn to form the letters using the correct letter formation when writing. As they are introduced to a new sound, children are taught how to write it correctly. It would be great if you could also model this at home.

Level 4

Level 4 is taught in Reception.

By the end of Level 4, children will have had the opportunities to:

Level 4 Coverage

In Level 4, children are introduced to adjacent consonants, 14 new tricky words for reading and the Level 3 tricky words for spelling.

Teaching Week	GPCs	Tricky Words for Reading	Tricky Words for Spelling	
1	CVCC Words	said, so	he, be, we, she, me	
2	CVCC Words	have, like, come, some	was, you	
3	Adjacent Consonants	were, there, little, one	they, are, all	
4	Adjacent Consonants	do, when, out, what	my, here	
5	three-letter adjacent consonants	all level 4 words	all level 4 words	

Use Level 4 to consolidate Level 3 sounds, especially recognising and using digraphs and trigraphs.

- give the phoneme when shown any Level 2 or Level 3 grapheme;
- find any Level 2 or Level 3 grapheme when given the phoneme;
- blend and read words containing adjacent consonants as well as segment and spell words containing adjacent consonants, such as 'sand', 'bench' and 'flight';
- read the tricky words some, one, said, come, do, so, were, when, have, there, out, like, little, what & spell the tricky words - he, she, we, me, be, was, my, you, here, they, all, are;

 write each letter, usually using the correct formation;

o orally segment words into phonemes.

No new sounds are taught in Level 4.

Level 5

Level 5 is taught in Year 1.

By the end of Level 5, children will have had the opportunities to:

- give the phoneme, when shown any grapheme that has been taught;
- o for any given phoneme, write the common graphemes;
- apply phonics knowledge and skills as the primary approach to reading and spelling unfamiliar words that are not completely decodable;
- read and spell phonically decodable two-syllable and three-syllable words such as 'dolphin' and 'parachute';
- read automatically all taught tricky and common exception words;
- accurately spell all the Level 2, 3 and 4 tricky words and most of the common exception words for reading;
- o form each letter correctly;
- use alternative ways of pronouncing and representing the long vowel phonemes.

Level 5 Mnemonics

The new sound is displayed within a word linked to the mnemonic for Level 5.

Level 5 Overview

Teaching Week	GPCs	Common Exception Words for Reading	Common Exception Words for Spelling	Teaching Week	GPCs	Common Exception Words for Reading	Common Exception Words for Spelling
1	'ay' saying /ai/	could should	said so	16	'ow'/'oe' saying /oa/	once, please	thought through
2	'oy' saying /oi/	would want	have like	17	'wh' saying /w/	live, coming	work house
3	'ie saying /igh/	oh their	some come	18	'c' saying /s/ 'g' saying /j/	Monday, Tuesday	many laughed
4	'ea' saying /ee/	Mr Mrs	were there	19	'ph' saying /f/	Wednesday, brother	because different
5	'a_e' saying /ai/	love your	little one	20	'ea' saying /e/	more, before	any eye
6	ʻi_e' saying /igh/ ʻo_e' saying /oa/	people looked	do when	21	'ie' saying /ee/	January, February	friend also
7	'u_e' saying (y) /oo/ and /oo/ 'e_e' saying /ee/	called asked	what could	22	adding -ed (root word unchanged)	April, July	once please
8	'ou' saying /ow/	water where	should would	23	adding -s and -es	scissors, castle	live coming
9	Long Vowel Sounds	who why	want their	24	adding -er and est (adj)	beautiful, treasure	Monday Tuesday
10	'ch' saying /c/ 'ch' saying /sh/	thought through	Mr Mrs	25	'tch' saying /ch/	door, floor	Wednesday brother
11	'ir' saying /ur/	work house	love your	26	adding - ing and -er (verbs)	bought, favourite	more before
12	'ue' saying (y) /oo/ and /oo/	many laughed	people looked	27	'are'/'ear' saying /air/	autumn, gone	January February
13	'ew' saying (y) /oo/ and /oo/	because different	asked called	28	've' saying /v/	know, colour	April July
14	'y' saying /ee/	any eye	water where	29	'ore' saying /or/	other, does	scissors castle
15	'aw'/'au' saying /or/	friend also	who why	30	adding un-	talk, two	beautiful treasure

6

Year 1 Phonics Screening Check

In June, all year 1 children are expected to complete the Year 1 Phonics Screening Check.

For more information why not take a look at the <u>Twinkl Phonics Year 1 Screening</u> <u>Check Guide for Parents</u> The aim is to check that a child is making progress in phonics. They are expected to read a mixture of real words and 'nonsense' words. (Nonsense words can also be referred to as 'pseudo' or 'alien' words)

> If a child has not reached the expected standard, schools must give additional support to help the child to make progress in year 2.

Children who have not passed the check in year 1 will have the opportunity to retake it in year 2.

How You Can Help Your Child at Home

Work on listening skills, taking turns and encouraging your child to look at you when you are speaking.

Practise segmenting and blending words.

Look for familiar sounds and words in the world around you. Such as, when in the supermarket, can your child find words on your shopping list or recognise letters on food packaging?

When outside, can they recognise letters on street names or on car number plates?

When in the house, can they recognise letters or words in magazines or letters you receive?

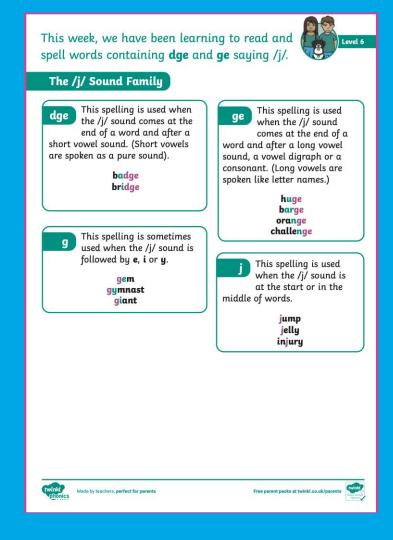

How You Can Help Your Child at Home

Practise the new sounds and graphemes your child brings home using the Parent Information Sheets. Remember to use 'pure' sounds when pronouncing the sounds and model the correct letter formation as is taught in school.

Support your child to complete any homework they bring home.

Read to and with your child every day.

Finally, remember to ask your child's class teacher if you are unsure about any aspect of your child's phonics learning. A consistent approach is important.

Warm up' before launching in

The reading experience starts well before the child sees any words on the page. For the youngest readers, it's important that they have the vocabulary to talk about what they can see on the cover - your child needs to name the things they can see and

use simple sentences to describe them. Once they get more confident, children can tell you what they think is going to happen in a story, or what they might learn about in a nonfiction text.

This pre-reading talk is vital for a beginner, so don't rush.

Decodable books match to children's phonic knowledge

Your child will already have been taught all the sounds and tricky words you can see on the page.

However, they're quite likely to need a reminder.

Prepare to be fluent practise key GPCs' and tricky words before reading.

Practise quick recall - point to the sound cards and ask your child to say them, then repeat with the tricky words.

Try to keep this pacy - it's an introduction to reading rather than a lesson.

Expect to read the book a few times.

Children love the process of getting familiar with a book and will often ask for a favourite story over and over again - the reason being, we're asking them to practise so many skills and they need repeated opportunities to master them all.

The first time a child reads a book, it's really all about decoding the words and building them into sentences. On the first reading, Parents will be the 'expert.' The second time, you'll transfer that role to your child. They'll love taking charge of the discussion and explaining what's happening in the book - and, because the reading process is smoother and easier with practice, it won't feel like so much hard work to them. Subsequent reads - dig deeper into comprehension, especially anything that requires children to think about the whole text rather than just the words on the page. It's also a fab chance to help your child read with fluency and expression.

Understanding the text

Rhino Readers decodable books have an after-reading page. The questions provided are a great way to check key reading competencies: comprehension, vocabulary, sequencing and inference.

Years 1 and 2 Additional Books

In Years 1 and 2 children will have a mix of Rhino Readers and other reading scheme books. This will let them become familiar with a wider range of texts and book types. These additional books are colour coded to match the different levels of reading.

Top tips

 Make sure your child is the one holding the book and doing the page turning.

- Encourage them to flick backwards and forwards through the book to take ownership.
- Reading is best done in short burst regularly 5-10 mins daily is best.
- If your child is tired they may be reluctant to read so try to read before they're too tired to concentrate.
